

True.Draft

ARCHITECTURAL PORTFOLIO 2025

VISION

To be a benchmark in the design and build industry, where projects start from a solid foundation and reach completion with high standards that reflect the authenticity of the initial idea.

MISSION

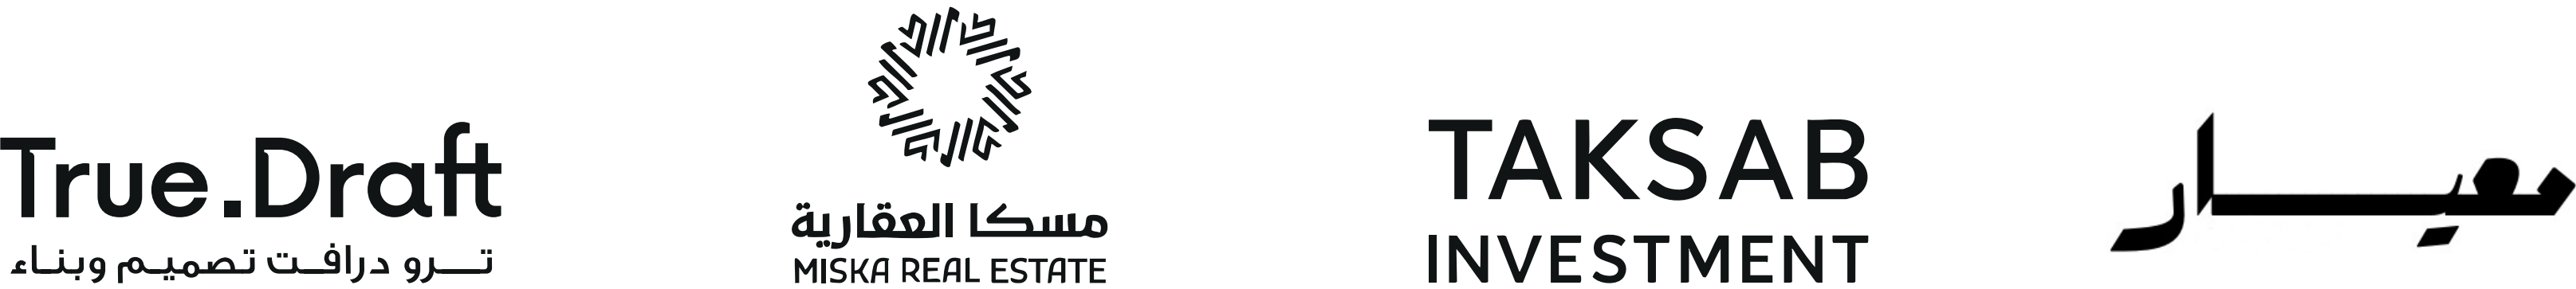

To deliver a transparent and thoughtful design and build journey, preserving the spirit of the project from its first blueprint to its delivery as a refined and masterful achievement.

GOAL

To formulate design and build solutions grounded in a pure idea and a robust plan, transforming into a reality that carries the same honesty and quality as the first draft.

WHY TRUE DRAFT ?

True Draft draws its strength from an integrated ecosystem spanning investment real estate development, design & build, and operational solutions
From Taksab Investment and Miska Real Estate, to True Draft for Design & Build, and Stander for restaurant and café equipment each entity plays a defined role
working together to transform ideas into fully realized, market-ready projects this structure gives True Draft a unique advantage designs shaped by real investment insight
executed with clarity, control, and purpose
